**April 2023 - August 2025**

Worked in customer service,  
maintained sanitary environment,  
prepared and served food

Soccer Coach & Referee

**June 2021- August 2025**

Worked with children of various ages in  
developing skills and facilitating  
matches

## EXPERIENCE AND EXTRACURRICULARS

### American Society of Mechanical Engineers

**August 2025 - Present**

- Participate in projects and connect with other Mechanical Engineers to enhance engineering skills
- Co-leader of Engineering Open-House functioning Iron-Man mask project

### Volunteering Illini

**August 2025 - Present**

- Volunteer around campus and the Champaign-Urbana community
- Some examples include working with local kids at the Champaign Library, learning about service dogs, and participating in group socials to connect with others

### Class President (High School)

**August 2024 - May 2025**

- Represented and lead over 2,000 students for the 2025 school year through student council, district meetings, and schoolwide events

### Robotics Club (High School)

**December 2024- May 2025**

- Participated as an engineer and programmer in the Lincoln-Way Central High School, where we competed against other schools to build a robot that can compete in a predetermined competition
- Worked with 3D printing, Java/FTC Blocks programming, and team designing

### Varsity Soccer Captain (High School)

**August 2024 – October 2024**

- Provided leadership and support to the team, focusing on teamwork and strategy

## RELEVANT COURSEWORK

### Current Coursework

Computer-Aided Design (ME 170 Lab), Calculus 3 (MATH 241), Theoretical Applied Mechanics (TAM 270), Intro to Computer Science (CS 124), Linear Algebra (MATH 257), Physics Mechanics (PHYS 211)

### High School Coursework

Calculus 1 & 2, Physics Mechanics, Spanish 1-4 (Illinois Seal of Biliteracy), Intro to Computer Science Principles,
